

**Thursday 1st of November 2018**

**from 12:00 to 20:00**

**Tel-Aviv University**

**free entry**

Are you a high school student or a university student?

Are you a researcher or a professor?

Are you a professional looking for developing your competencies?

**CHOOSE FRANCE!**

Defining your studies or research project, finding financial means, understanding and organizing your stay in France or identifying the courses that will fulfill your expectations: all your questions will find answers at the CHOOSE France Fair!

Among all the formations presented in the Fair, the professions in the art field, design and innovation will be in the spotlight. There will also be conferences, master classes, exhibitions and other events waiting for you.

Choosing France for your studies is choosing to get an excellent higher education in a nice living environment, in the heart of Europe.

The 1st November 2018, from 12:00 to 20:00, at Tel-Aviv University, representatives of the best French universities and schools will be there to meet you!

4th country in the world to welcome foreign students, France is a country of culture and History. Prestigious universities offer excellent courses in arts, management, sciences, international relations, engineering, history, cinema, fashion, gastronomy, etc.

France is also a worldwide innovative center and has a high level research with international leading companies whose some of them will be there at the CHOOSE FRANCE Fair !

Last but not least, did you know that French is the 5th language spoken in the world? Do you prefer to study in English? French universities offer more than 1200 courses in English!
